CFV EXPANDS EXCLUSION CAMPAIGN

Those boys from CFV, Will and Kevin, are at it again. Ever ready to further their campaign of exclusion of gays and lesbians from any place they can, they are circulating the Resolution for Community Standards, reprinted below, at their "Time to Stand" propaganda fests. It is their hope that those in attendance will circulate and send this document to their respective local governments. Note, among other things, the insidious slipping of a statement about the harm of pornography between two myth building comments on homosexuality, leaving one with the impression they are part and parcel the same.

COLORADO FOR FAMILY VALUES
Resolution for Community Standards

WHEREAS, the {governing body name} is legally charged with protection of the safety, health, and welfare of the community; and

WHEREAS, there are increasing assaults on those community standards which jeopardize the protection of the public's safety, health, and welfare; and

WHEREAS, the {governing body name} believes it must not sit silently and watch those community standards be undermined; and

WHEREAS, homosexuality has been a recent focus of policy decisions from the federal to state and local levels of government; and

WHEREAS, the {governing body name} desires to support and defend the standards of the community as articulated by the outspoken voice of the majority whom it serves, as those standards relate to homosexuality, pornography, violence and preservation of the family; and

WHEREAS, the {governing body name} makes the following findings of fact:

-That the heterosexual family structure is in accord with over-arching standards of the community; and

-That this structure has been historically and biologically proven to be the primary and best method for fostering a positive child-rearing environment, establishing an orderly society, and providing for the health and welfare of future generations; and

-That the behavior advocated by homosexuality should not be endorsed by government policy makers, because it is incompatible with the standards to which this community subscribes; and

-That the impact of pornography, all types, has a detrimental effect on the community as a whole, and is repugnant to community standards; and

-That the behavior of homosexuality has been proven to be damaging to those who engage in it and destructive to the society that affirms and legitimizes it; and

-That the political lobby promulgating homosexuality has as their agenda nothing less than the complete and total societal affirmation and legitimacy of homosexual behavior in the community;

NOW THEREFORE BE IT RESOLVED;

1. {governing body name} openly and vigorously supports the current community standards and will not enact policies, ordinances or laws that are repugnant to the community standards; and

2. {governing body name} pledges not to fund, directly or indirectly, activities which seek to contravene these existing community standards or give affirmation and legitimacy to homosexual behavior; and

3. {governing body name} calls upon all community leaders, elected officials and policy makers to support and defend these standards; and

4. {governing body name} believes that this resolution will serve and protect the health, safety, and welfare of its constituents; and

5. **BE IT FURTHER RESOLVED**, that {governing body name} supports and will defend the constitutional and civil rights of all of its citizens, but recognizes the behavior of homosexuality to be neither a constitutional nor a civil right.
